Dear OBDA Dance Family,

I hope this letter finds you and your family safe, healthy and enjoying a long-awaited summer of fun!

I am extremely thankful to have survived the 2020-2021 season with the help and support from you, our amazing dance family and the best team of faculty and staff out there. Feeling proud, humbled and grateful to continue our 18 plus year tradition in offering our students the best in dance training and education. OBDA could not be more proud of our students and how they “danced their hearts out” through unimaginable times!

As we continue to offer our growing and ever-evolving program each year, we will continue to implement important measures following all CDC and Government required guidelines. Look for, limited class sizes and spacing in our core classes (Space WILL BE LIMITED), back-to-back classes, continued personal attention to our students, while striving to deliver an experience and atmosphere that balances health & safety procedures, thoughtful new ways of running classes, and as always, teaching proper technique with creativity, nurturing hands, discipline, exercise, teamwork and fun for all ages.

Enclosed are all the Fall registration forms and information needed to register for the 21-22 season. To fully register your dancer(s), follow the registration procedures and return payment along with all signed forms to OBDA. Your child will not be able to attend the first week of classes if not fully registered with ALL forms completed and signed.

Classes will be offered this year based on registration. Early registration is back...register your dancer by **July 25** to receive a free OBDA surprise gear in September! Regular Fall registration forms and first tuition payments are due **August 1, 2021**. Please register as soon as possible...as we **WILL** be closing classes once filled. The faster everyone registers for classes, the quicker we can finalize a schedule for you. **Classes begin Monday, September 13, 2021.**

My staff and I are eager to begin the 2021-2022 season with our OBDA dance families. We thank you for your support and loyalty to our studio, commitment to your child’s passion for dance and your continued trust. Thank you again...we are so happy to be back doing what we love...training your dancer!

Warmly,

Laurie Rippon  
Owner & Director
